# 2016 Dues Schedule

The National Health Council (NHC) has five membership categories. Dues are for the calendar year. First-year dues will be prorated from the date that the NHC's Board of Directors approves the member's application.

**Voluntary Health Agencies -** Voluntary health agencies (VHAs) are defined as 501(c)(3) organizations composed of individuals, both lay and professional, or of associations of both lay and professional individuals, voluntarily and democratically organized. Their mission is to combat a particular disease, disability, or group of diseases and disabilities, or to improve and protect the health of a particular group of people. VHAs receive a substantial amount of financial support from voluntary contributions from the public at large. They engage in programs, such as research, education, advocacy, and service, to individuals and communities.

| | |
|---|---|
| Annual Dues | 0.000775 times total or consolidated income (national office and affiliates) |
| Minimum Dues | $1,400 |
| Maximum Dues | $42,100 |

**Professional and Membership Associations -** Professional associations are health-related organizations consisting primarily of individuals or state and local groups of individuals that meet stated qualifications of training or experience. Other membership associations are health-related associations of individuals or institutions, including alliances and coalitions. Members of this category are expected to demonstrate a broad base of funding either from many individuals or multiple institutions.

| Organization's Gross Income: | |
|---|---|
| Up to $1 million | $1,100 |
| Above $1 million but less than $3 million | $1,900 |
| Above $3 million but less than $5 million | $4,500 |
| Above $5 million but less than $7 million | $6,500 |
| More than $7 million | $9,100 |

**Nonprofit Organizations with an Interest in Health -** Nonprofit organizations with an interest in health are organizations engaged in or concerned with health issues that support the mission of the NHC.

| | |
|---|---|
| Less than $10 million | $1,400 |
| More than $10 million but less than $50 million | $3,000 |
| More than $50 million | $5,800 |

**Business and Industry -** Business and Industry members are for-profit companies engaged in the sale of health-related products or services, such as pharmaceutical, generic drug, insurance, biotechnology, and medical device companies. This category includes any subsidiaries or related entities, such as foundations, affiliated with an organization that would otherwise be classified as a business and industry member.

| | |
|---|---|
| Less than $2 million | $2,500 |
| More than $2 million | $19,100 |

**Associate -** Associate members are organizations that are considered to be primarily vendors. Associate members have all member privileges, except they are not allowed to be represented on the NHC's Board of Directors or Nominating Committee and cannot vote at meetings of the entire membership.

| | |
|---|---|
| Annual Dues | $10,700 |
