## National Health Council's Health Groups in Washington Listings (as of October 2007)

First printed in 1975, *Health Groups in Washington* is recognized as the single most useful resource for locating major, non-government, health-related organizations in the Washington metropolitan area.

To qualify for listing in the publication, an organization must

- have an acknowledged interest in health affairs
- be national in scope or serve national organizations/clients
- maintain an office in the Washington metro area
