Publication	Member Price	Non-Member Price	Quantity
<p>Health Groups in Washington: A Directory (print) This directory is recognized as the single most useful resource for locating major, nongovernmental health and health-related organizations in the Washington, DC metro area. Contact information is listed for more than 900 organizations. (2009)</p>	\$40.00	\$55.00	
<p>Health Groups in Washington: Mailing List Health Groups in Washington also is available as a mailing list. Now you can connect directly with approximately 1,300 professionals at more than 900 organizations. Like the print directory, the mailing list includes CEOs as well as senior government relations contacts.</p>	<p>To order or for more details, please contact the National Health Council at info@nhcouncil.org or 202-785-3910.</p>		
<p>2009 Management Compensation Report This report on compensation and benefits practices is the only one of its kind to focus exclusively on the voluntary health and human service sector. Salary information is included for 80 management and staff positions. (2009)</p>	\$100.00	\$125.00	
<p>Trends in Corporate Restructuring Among Voluntary Health Agencies The study provides comparative information about the corporate structure models currently used by VHAs and how those models are viewed in terms of effectiveness in achieving the organizations' missions. The study identifies the assumptions that lead VHAs to consider a corporate restructuring and the positive and negative factors that affect the process. (2006)</p>	\$50	\$75	
<p>Informed Consent: A Guide to the Risks and Benefits of Volunteering for Clinical Trials This first-of-its-kind book by Kenneth Getz and Deborah Borfritz has the information the public needs to make an informed decision about participating in clinical trials. This special National Health Council edition was published in collaboration with Thomson CenterWatch. (2003)</p>	\$15.95	\$19.95	
<p>A Roadmap to Managing Volunteer Systems: From Grassroots to National A field guide specifically designed for managers of volunteers, this book assists in analyzing a volunteer program's effectiveness and developing a successful volunteer management system. (December 2000)</p>	\$25.00	\$30.00	
<p>Standards of Accounting and Financial Reporting for Voluntary Health and Welfare Organizations* This book is the definitive resource for anyone concerned with the financial and accounting practices, policies and procedures of nonprofit health and welfare organizations. Also known as the "Black Book." (November 1998)</p>	\$44.00	\$55.00
