2018 Dues Schedule

The National Health Council (NHC) has five membership categories. Dues are for the calendar year based on total national revenue as listed on the annual 990. First-year dues will be prorated from the date that the NHC’s Board of Directors approves the member’s application.

Voluntary Health Agencies - Voluntary health agencies (VHAs) are defined as 501(c)(3) organizations composed of individuals, both lay and professional, or of associations of both lay and professional individuals, voluntarily and democratically organized. Their mission is to combat a particular disease, disability, or group of diseases and disabilities, or to improve and protect the health of a particular group of people. VHAs receive a substantial amount of financial support from voluntary contributions from the public at large. They engage in programs, such as research, education, advocacy, and service, to individuals and communities.
